Sharpe Insight...

The Spiritual Leadership of Hatcher Church offered this survey as it evaluates the necessary steps in resuming our normal life and worship styles

The Complete Results of Hatcher's Covid-19 Survey

1. Do we need to continue wearing masks?
Yes – 6 No – 52
2. Do we give permission to wear masks if needed?
Yes – 56 No – 2
3. Do we continue social distancing?
Yes – 22 No – 36
4. Do we supply space for those who needing distancing?
Yes – 55 No – 3
5. Do we continue to provide hand sanitizer?
Yes – 50 No – 8
6. Do you feel safe coming to church?
Yes – 55 No – 3
7. Have you been to church during Covid?
Yes – 54 No – 4

The Result of the survey now includes the tabulation from the Internet. The total included Fifty-Eight Respondents.

This survey conveys Hatcher's thoughts as it makes preparation in moving into a new chapter of health for its members. Most all Hatcher members have been vaccinated and Hatcher has taken every preventive precaution necessary during the pandemic and even now, as we move forward. Hatcher will continue to be wise as it attempts to move toward resuming its normal worship and educational ministries. After reviewing these results it appears Hatcher is ready to consider these changes:

1. Masks not required but anyone wanting to continue to wear them should feel free to do so.
2. Keep the pews as they are to maintain a safe distance for those who don't feel ready to give up the social distancing. (We can revisit this at a later date for needed changes.)
3. Continue to provide hand sanitizer and maybe some masks at the entrance.
4. At this point, upon entering we no longer need folks to sign in or temperatures be taken.
5. Keep an eye on any Covid spikes in the area so we are prepared to take steps if needed.

Additional thoughts may be made by contacting Deacons, Office, or Pastor Sharpe.

Hearts in Motion June Project

Thank you to all who have donated to the Purse Project for the Richmond area woman's shelter. No more donations are needed! They have received so many items and because of a cash donation, they can purchase the remaining items they needed. No doubt these gifts, with the notes of encouragement will make the 15 women at the shelter a bit more comfortable. Please say a prayer for these women, to give them strength and peace with what they are facing.

Tip # 12 The Right Words

If you ever need a program you want for free (for example a video or photo editor) don't search for "free", search for "open source" to avoid limited trial versions, adverts and malware.

Dear Church Family,

Thank you so much for the beautiful cards and prayers. I am doing much better. Steve is looking into getting a physical therapist to come work for me a couple of days a week to help build up my strength. I miss all my church family members.

Staff Anniversaries

Warren Mitchell

Warren recently celebrated his 25th anniversary on Hatcher's staff. He currently serves in the position of Part-Time Worship Leader/Choir Director for the traditional service. He previously has served as organist and accompanist for the Chancel Choir as well as interim choir director. We all enjoy Warren's many talents on our musical instruments and his talents in leading us in music. Worship is much more meaningful with music! Many have said that they have worshiped through music as much as the spoken word. Thank you Warren for your MANY years of service to Hatcher. We appreciate YOU!

Rev. Daniel Ripley

Daniel currently serves on Hatcher's staff as Part-Time Associate Pastor of Outreach and Discipleship. He previously served in a part time paid position helping with all the technical aspects of our on-line worship and Sunday School experiences from approximately June, 2020 to the end of the year when he moved into his current position. Daniel has worn many hats over the past several years as he has served our church on many committees, preaching, and teaching while also going to seminary. Pastor Sharpe has mentored Daniel through his seminary training as God prepares him for where he is headed in ministry. Thank you Daniel for you many talents in serving your home church over the past year.

Amanda Owen

Amanda is our director of the church's Child Development Center. She was hired June 16, 2020, and what a year it has been. Her leadership skills during this year of the pandemic have proven to be invaluable as so many rules, regulations, and unknown factors were maneuvered. Financial stabilization of the CDC during this past year has also been an important goal under her leadership. She has also had to wear many hats in addition to being the director: a fill in teacher, cook, and handling building maintenance issues as they arise. Hatcher is fortunate that we have someone of the caliber of Amanda to lead our CDC. Thank you Amanda for your leadership, abilities, and skills in all that you do to keep our children safe and learning every day. We hope you will have many anniversaries with us!

Thank you from the Personnel Committee
